

# WEST END BUYERS CLUB

By combining our collective purchasing power, West End businesses can reduce the number of delivery vehicles in the West End and support suppliers who use ultra low emission vehicles for making deliveries.

The West End Buyers Club promotes preferred suppliers to West End businesses to deliver improved air quality while lowering costs, improving levels of service and supporting local and innovative suppliers.

## PROCURE USING THE WEST END BUYERS CLUB:

- Lower costs and improved levels of service
- Improve visitor experiences through reduced visibility of servicing and delivery vehicles

Bond Street businesses are saving money while reducing air pollution by procuring waste collection through the same supplier.

## JOIN THE CLUB

- **New West End Company is negotiating exclusive member-only deals for a range of goods and services. New preferred suppliers will be advertised in our monthly e-newsletter and a list of these can be found on [our website](#).**
- **[Contact us](#) for more information or to suggest goods and services the West End Buyers could procure.**
