Thereafter the contingency may be reduced to a rate of 1% and paid over the next monthly payment after the end of each month in which the relevant renewal ballot result has been announced as successful and after the veto period has elapsed, such period may be extended at the Council's discretion.

The Council and the BID Company shall review the percentages set out at clause 5.2 of this Agreement in respect of BID Levy collected from 1 April 2026 to 31 March 2031 every year (for the duration of the BID Term) and the Council shall take reasonable account of any representations made by the BID Company. If after 28 days from the date of the notice or determination of the dispute, whichever is the later, the amount of staff time has not reduced to the levels anticipated by the Council at the commencement of this Agreement the BID Company shall pay the Council's costs of providing more staff time as set out in the notice from the Council or as determined under Clause 16 below.
